Nababeep, Northern Cape.

About Us

Copper 360 Ltd is growing big in copper mining, based in the Northern Cape. We're working hard to develop one of the world's largest copper districts.

We believe in treating everyone fairly and equally at Copper 360. Our team comes from all kinds of backgrounds, and we're committed to making a workplace where everyone feels welcome and can do well.

Come join our lively team, where working together is the key to achieving big things. We're not just hiring workers; we're putting together a group of people who are dedicated and know that success comes when we all work together. If you're a team player who loves doing great work, we want your skills to complete our team. Let's create a future full of new ideas and success together.

Job Description

COPPER 360 LTD has a permanent position available for a Surveyor to be based at our mine in Nababeep.

The Surveyor is responsible for providing accurate and timely surveying services to support safe, efficient and legally compliant mining operations.

The incumbent establishes and maintains underground and surface survey control, prepares survey plans, measures mining progress, calculates volumes and ore reserves, and provides accurate spatial data to assist with mine planning, production and statutory reporting.

The Surveyor ensures that all survey work complies with the Mine Health and Safety Act, applicable regulations and recognised industry standards.

The person will report to the Mining Manager.
