About Us

Copper 360 Ltd / Emgodini Mining Operation is growing big in copper mining, based in the Northern Cape. We're working hard to develop one of the world's largest copper districts.

We believe in treating everyone fairly and equally at Emgodini Mining Operations. Our team comes from all kinds of backgrounds, and we're committed to making a workplace where everyone feels welcome and can do well.

Come join our lively team, where working together is the key to achieving big things. We're not just hiring workers; we're putting together a group of people who are dedicated and know that success comes when we all work together. If you're a team player who loves doing great work, we want your skills to complete our team. Let's create a future full of new ideas and success together.

Job Description

COPPER 360 LTD / Emgodini Mining Operations has a permanent position available Artisan Auto Electrician- Engineering. You will play a key role in ensuring the safe and reliable operation of all auto electrical systems across the Emgodini Mining Operation. Your responsibilities will include inspecting, diagnosing, repairing, maintaining, and installing electrical and auto electrical systems on mining vehicles and mobile equipment. You will conduct preventative maintenance, fault finding, safety inspections, and repairs while ensuring compliance with company safety standards and relevant regulations. Join us to contribute your technical expertise to the innovative workplace that values employee development, diversity, teamwork, and career growth.

The person will report to the Electrical Foreman.

Key Responsibilities

- Conducting Investigation and record findings.
- Execution of maintenance according to job card and maintenance schedule.
- Cost containment through effective planning, no rework, availability of materials and equipment.
- Adherence to schedules, standards, procedures and OEM specifications.

Preferred Qualifications

- Grade 12 or NQF level 4 equivalent.
- Section 26 Auto Electrician Trade Certificate / MIETTB (Mining Industry Engineering Trades Training Board) Trade Certificate through a registered body, e.g.:
 - (i) Olifantsfontein, pre 1994;
 - (ii) ESTC (Engineering Skills Training Centre) James Park;
 - (iii) GFA (Goldfields Training Academy).
- Contract of apprenticeship signed off by employer and department of manpower.
- Methane Test certificate.
- Valid Code B Driver's License.
- Good English communication skills [Written and verbal].

Preferred Experience

- At least 5 years of trade experience as an Auto Electrician.
- At least 5 years of mining industry experience, preferably underground.
- Sound understanding of BOOYCO / PDS [Proximate Detective Systems] advantageous.

Knowledge and Skills required

- Compiling reports to line management regarding unsafe acts and conditions.
- Comply with the lock out systems required on machinery and equipment.
- Adhere to Emgodini Mining Services policies, procedures and standards.
- Wear correct PPE at all times.
- Effective self and team management in alignment with Emgodini Mining Services values and leadership initiatives.

How to Apply

If you meet these requirements, please apply with your updated CV and a cover letter to careers@copper360.co.za.
