Nababeep, Northern Cape.

About Us

Copper 360 Ltd is growing big in copper mining, based in the Northern Cape. We're working hard to develop one of the world's largest copper districts.

We believe in treating everyone fairly and equally at Copper 360. Our team comes from all kinds of backgrounds, and we're committed to making a workplace where everyone feels welcome and can do well.

Come join our lively team, where working together is the key to achieving big things. We're not just hiring workers; we're putting together a group of people who are dedicated and know that success comes when we all work together. If you're a team player who loves doing great work, we want your skills to complete our team. Let's create a future full of new ideas and success together.

Job Description

COPPER 360 LTD has a permanent position available for three Electrical assistants.

The purpose of an Electrical assistant is to support electricians in the various tasks related to the installation, maintenance, and repair of electrical systems.

The person will report to the Electrician.

Key Responsibilities

- Assist electricians in the installation and repair of electrical wiring, fixtures, and equipment.
- Help with troubleshooting electrical issues and performing basic diagnostics.
- Maintain tools and equipment, ensuring they are in good working conditions.
- Follow safety protocols and guidelines to ensure a safe working environment.
- Prepare job sites by organizing tools and materials needed for electrical projects.
- Conduct routine inspections of electrical systems and report any issues to supervisors.
- Maintain accurate records of work performed and materials used.

Preferred Qualifications

- High School diploma or equivalent
- Basic Knowledge of electrical systems and safety practices.
- Ability to follow instructions and work as part of a team.

- Good physical stamina and the ability to lift heavy objects.
- Strong attention to detail and problem-solving skills.

Preferred Experience

- Previous experience as electrical assistant is advantageous.
- Valid driver's license will be beneficial.

Knowledge and Skills required

- **Basic Electrical Knowledge**: Understanding of electrical systems, circuits, and components.
- **Safety Awareness**: Knowledge of safety practices and regulations in electrical work.
- **Problem-Solving Skills**: Ability to troubleshoot basic electrical issues and assist in repairs.
- **Attention to Detail**: Precision in tasks and adherence to safety standards.
- **Communication Skills**: Ability to follow instructions and communicate effectively with team members.
- **Physical Stamina**: Capability to perform physically demanding tasks, including lifting and climbing.
- **Teamwork**: Ability to collaborate with electricians and other team members effectively
- **Technical Skills**: Familiarity with hand tools and basic electrical testing equipment.
- **Certifications**: OSHA safety certification or relevant electrical training certificates are advantageous.
- **Availability**: Flexibility to work on various job sites and hours, including overtime if necessary.
