Fitter Assistants x3

Location

Nababeep, Northern Cape.

About Us

Copper 360 Ltd is growing big in copper mining, based in the Northern Cape. We're working hard to develop one of the world's largest copper districts.

We believe in treating everyone fairly and equally at Copper 360. Our team comes from all kinds of backgrounds, and we're committed to making a workplace where everyone feels welcome and can do well.

Come join our lively team, where working together is the key to achieving big things. We're not just hiring workers; we're putting together a group of people who are dedicated and know that success comes when we all work together. If you're a team player who loves doing great work, we want your skills to complete our team. Let's create a future full of new ideas and success together.

Job Description

COPPER 360 LTD has a permanent position available for three fitter assistants in Nababeep.

The purpose of the fitter assistant is to assist Fitters with the installation, maintenance, repair, and servicing of mechanical equipment and machinery, ensuring work is completed safely and efficiently. The Fitter Assistant supports maintenance activities, prepares tools and materials, maintains good housekeeping standards, and contributes to minimizing equipment downtime and improving operational performance.

The person will report to the Fitter.

Key Responsibilities

- Assist fitters in the assembly and installation of machinery and equipment.
- Help with the measurement and cutting of materials as required.
- Support in troubleshooting and repairing of mechanical issues.
- Maintain tools and equipment, ensuring they are clean and in good working order.
- Follow safety protocols and maintain a safe working environment.
- Document work performed and assisted in inventory management of parts and materials.
- Collaborate with team members to meet project deadlines.

Preferred Qualifications

- High School diploma or GED preferred.
- Help with the measurement and cutting of materials as required.
- Support in troubleshooting and repairing mechanical issues.
- Maintain tools and equipment, ensuring they are clean and in good working order.
- Follow safety protocols and maintain a safe working environment.
- Document work performed and assisted in inventory management of parts and materials.
- Collaborate with team members to meet project deadlines.

Preferred Experience

- Previous experience as a fitter assistant will be advantageous.

Knowledge and Skills required

- **Mechanical Aptitude**: Basic understanding of mechanical systems and components.
- **Attention to Detail**: Precision following instructions and specifications.
- **Problem-Solving Skills**: Ability to assist troubleshooting and resolving mechanical issues.
- **Teamwork**: Collaborate effectively with fitters and other team members.
- **Safety Awareness**: Understanding and adherence to safety protocols in the workplace.
- **Experience**: Prior experience in mechanical or construction settings is beneficial.
- **Physical Stamina**: Ability to lift objects and work in various physical conditions.
- **Basic Tool Knowledge**: Familiarity with hand tools and machinery used in fitting and assembly.
- **Communication Skills**: Ability to effectively communicate and follow directions.
